**Resident Has Kind Word For Police**

Somebody had a kind word for the police department this week.

A. E. Ingersoll walked to the Torrance Press wanting to know how much it would cost to run a thank-you note in this paper. Ingersoll, who is a welder at Douglas, had his eyes burned recently while at work. When he got home they had swollen to such an extent that he couldn't see anymore. He called the Torrance police department and Assistant Chief William Haslam came right out and took him to Dr. Paul A. Winn, who treated the burn successfully.

Ingersoll, who lives at the Plaza Hotel, has been here a little over a month.

"How much do I owe you for the story?" Ingersoll asked.

"Nothing," he was told. "There's no news like good news!"

The 3000 voluntary associations organized to fight tuberculosis in the United States will conduct their annual Christmas Seal Sale from Nov. 16 through December this year.

**Homeowners To Discuss Lomita Blvd.**

The Sepulveda Gardens Homeowners Association got off to an enthusiastic start at the last regular monthly meeting. The officers elected are: Ed Shuster, president; Willis Smith, vice-president; Mrs. John Hills, secretary; Parker Paul, treasurer; Ray McCann, liaison officer.

The next meeting is set for Monday, December 14, at Seaside Elementary School at 8 p.m. All homeowners are urged to attend. You are urged to come and have your say at this organization including discussions of the topics of Lomita Blvd., action on street lights, and other subjects of importance to this community. Refreshments will be served.

**Dear Editor . . .**

(The following letter was received by Ed Schwartz of the Super Service Printing Co. next to the Torrance Press. The letter, which is the creation of Schwartz's 9-year-old niece, is a literary masterpiece in its own right. It is therefore made available to the general public.—Editor's note)

Dear Uncle Eddie I thought I would write another letter, because I looked up on the mantle, and saw your tie. Mommy is playing the piano, and Daddy is watching me. Jerry is doing his home work. Bugie is eating.

What are you doing?

**STREET LITE DEADLINE EXTENDED**

The latest figures and dates on the street light fund raising campaign of the Torrance Gardens and Plaza Homeowners Association reveal that nearly 50 per cent of the money required for installing the lights has been collected as of November 29.

This money is being held in a special fund by the Torrance National Bank. Due to the large number of owners who have indicated a desire to pay on or about December 1 it will be necessary to extend the deadline date. A special meeting of the board of directors of the homeowners association will be held this week to discuss the feasibility of extending the date to December 31, 1953.

The \$30 cost per home is the last cost with no more assessments being made. The city of Torrance pays for the electricity and the Edison Co. maintains the poles.

If holiday expenses make it difficult to raise an extra \$30, this money may be obtained on easy loan terms from the Torrance National Bank.

AND THOUGH age and infirmity overcome me, and I come not within sight of the castle of my dreams, teach me still to be thankful for life, and for time's olden memories that are good and sweet, and may the evening twilight find me gentle still.

I am making so many mistakes.

I wish you would send me your street number, because I want to send the letter's to your house.

Please give it to me. Do you want to know why I was not going to write very much? Well there was something wrong with the typewriter, and I could not type.

Miss you very very much, when you are not here.

Well I think I better go now, SANDY

(over)

(continued in longhand) Please don't mind the part where I wrote with a different color. Are typewriter was broack.

**Construction Work Begun By Water Co.**

Construction has started on improvements in water mains in the area served by the Narbonne Ranch Water Co., according to A. E. Cook, manager.

In conjunction with the present work of widening Lomita Blvd., being carried on by the county, the water firm is lowering its mains to allow for increased pressure to homes along
